- [ETSU Family Physicians of Kingsport](#)

HOSPITAL AFFILIATIONS:

Instead of having one teaching hospital, the Quillen College of Medicine has a broad patient base in the Tri-Cities region with training in every area of primary and tertiary care medicine. The students are provided access to more than 3,000 patient beds in affiliated hospitals. Major teaching hospitals include:

[Johnson City Medical Center](#)

400 N. State of Franklin

Johnson City, TN 37601

Phone: (423) 431-6111

Directions: From Interstate 181, take Exit 36 (State of Franklin Rd.) and follow signs to Johnson City Medical Center.

Johnson City Medical Center is the flagship hospital for the Mountain States Health Alliance and was the second hospital built in Tennessee. This 410-bed not-for-profit, comprehensive, acute-care teaching hospital is also a major medical referral center with Level I Trauma Care and the region's only dedicated emergency medical air transport service. A full range of specialty and subspecialty care services and some of the most advanced diagnostic and surgical techniques are available here. The pediatric hematology/oncology unit at JCMC holds designation as a St. Jude/Tri-Cities Affiliate. A major transplant center is also located at JCMC.
